Dear Patient,

Congratulations on the upcoming arrival of your bundle of joy! We understand that the stress of delivery and motherhood can be overwhelming, so we would like to provide you with information that many new moms may not be aware of. After your delivery, your baby is covered under your medical assistance number for their first 30 days of life; **except in cases of circumcision**. Please contact your MCO or call Maryland Health Connection at 1-855-642-8572 to notify them of your delivery so that you do not incur an unnecessary costly bill for circumcision. If you need assistance with this process, our office is available to assist you Monday- Friday from 8:30 am- 5:00 pm. Thank you for allowing us to participate in your care.

Regards,

The Staff of Bay Women's Health
